

A painting of a young Black boy with short, dark hair, looking up at a large, bright yellow star in a dark blue night sky. He is pointing his right index finger towards the star. The sky is filled with smaller, distant stars. In the background, the silhouettes of city buildings are visible against the dark sky. The boy is wearing a light-colored t-shirt with some green and yellow patterns. The overall style is painterly and expressive.

**Brille si fort que
personne ne puisse
t'ignorer.**
